

REACH and POP Declaration

Eva Trio ensures that all products placed on the EU market comply with applicable EU chemical legislation, including:

- Regulation (EC) No 1907/2006 (REACH), including Article 33
- Regulation (EU) 2019/1021 on Persistent Organic Pollutants (POP Regulation), including Annex I

Our products do not contain Substances of Very High Concern (SVHC) listed on the REACH Candidate List above 0.1% w/w per article.

Furthermore, the products comply with the applicable restrictions and concentration limits set out in Annex I of the POP Regulation.

Eva Trio continuously monitors updates to the REACH Candidate List and relevant EU chemical legislation.

If non-compliance is identified, appropriate corrective actions will be taken without delay.

Relevant lists:

- [REACH Candidate List \(SVHC\)](#)
- [POP Regulation \(EU\) 2019/1021 Annex I](#)

The undersigned guarantees that the information provided in this declaration is accurate and correct.

Best regards,
Julie Thrane Carlsen
